We do not have responsibility with copywright of this book.

DeLillo's "Running Dog," originally published in 1978, follows Moll Robbins, a New York city journalist trailing the activities of an influential senator. In the process she is dragged into the black market world of erotica and shady, infatuated men, where a cat-and-mouse chase for an erotic film rumored to "star" Adolph Hitler leads to trickery, maneuvering, and bloodshed. With streamlined prose and a thriller's narrative pace, "Running Dog" is a bright star in the modern master's early career.
